Sonargaon University (SU)

Nasiruddin  
Lecturer in Chemistry  
Sonargaon University (SU)

## Editorial

We are happy to publish the first issue of Sonargaon University Journal (SUJ). It is a peer reviewed journal which will be published twice in a year. This will be a standard Journal with standard articles. This will mark the successful journey of about four years of Sonargaon University. I believe through this journal faculties and students of this university will boost their self-confidence. The contributors/authors of the journal are not only from the faculties of this university but also from other public universities of Bangladesh. The present issue will focus some important areas of business, law, science and engineering. We are grateful to the contributors who have submitted their papers for publications. We are hoping to publish this Journal one in June and another one in December every year. We are grateful to Founder and Board of Trustee members of Sonargaon University (SU) Trust Mr. Abdul Aziz and Mr. Md. Abdul Alim, whose supports have materialized the ideas of this journal. Our gratitude and regards to the Honorable Vice-Chancellor Professor M.A. Razzaque for his valuable suggestions, guidance and support, without which this journal would not have been possible. Thanks also to the reviewers who helped us in assessing the papers. Thanks are also extended to cover page designer Mrs. Tasnoval Iqbal, Lecturer, Dept. of Architecture for her hard work to design the cover page, senior assistant editor Dr. Zubair Hasan, and assistant editors Ms. Mansura Akter and Mr. Nasiruddin who have worked hard for publishing this journal. Thanks are also to Mr. Abdullah Al Mamun, former PS to the Vice-Chancellor and Mr. Md. Abu Hanif, PS to the Vice-Chancellor for secretarial work. Finally, but not least to the editorial board for their hard work and valuable advice.

Professor Dr. Md. Abdur Razzaq Akhanda
